1978

KINGSWOOD-OXFORD  
SCHOOL  
West Hartford, Connecticut

The Class of 1978 wishes to honor Mr. Poirot for his rare quality of being able to listen as well as advise. He has challenged many of us intellectually and has been a source of encouragement and comfort both in and out of the classroom. The vibrance and sensitivity which he radiates will long be remembered by all of us.

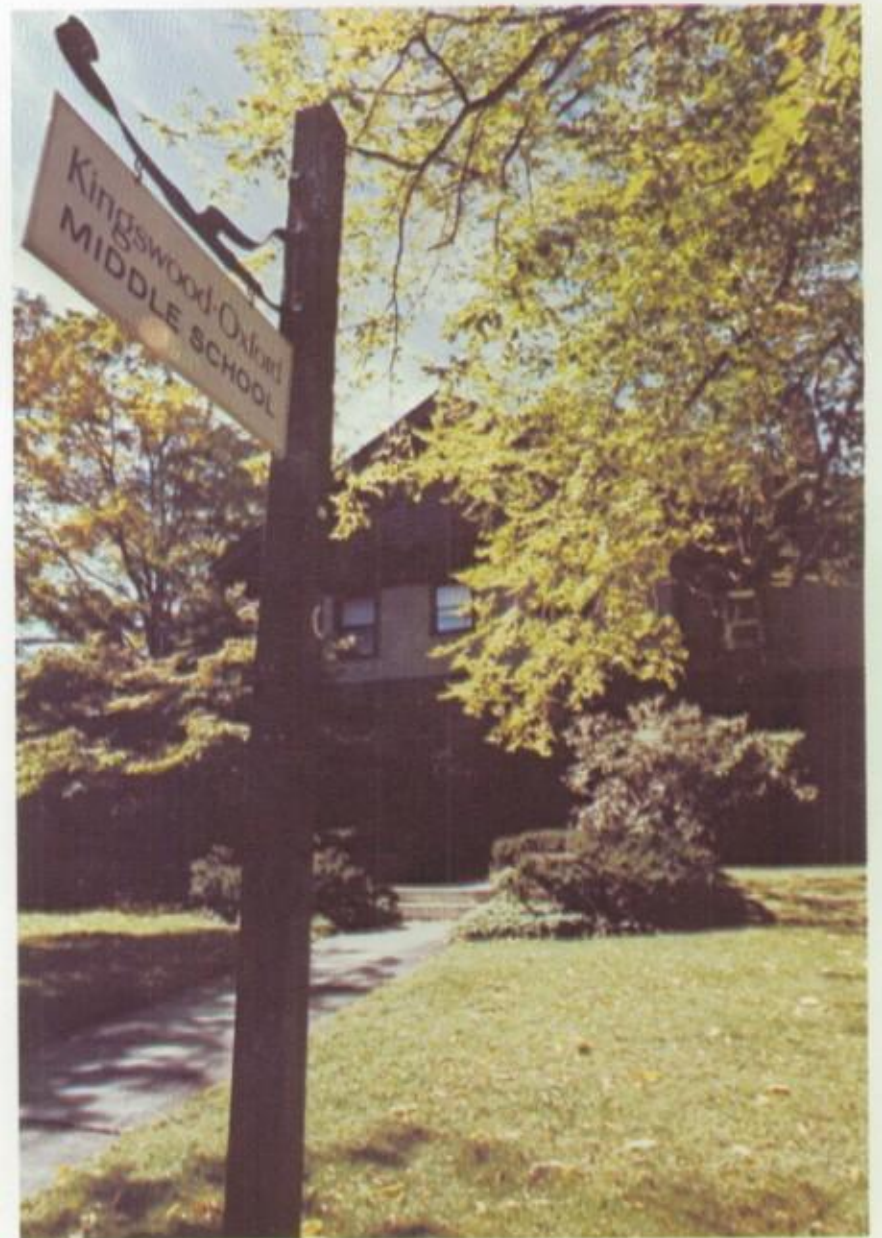

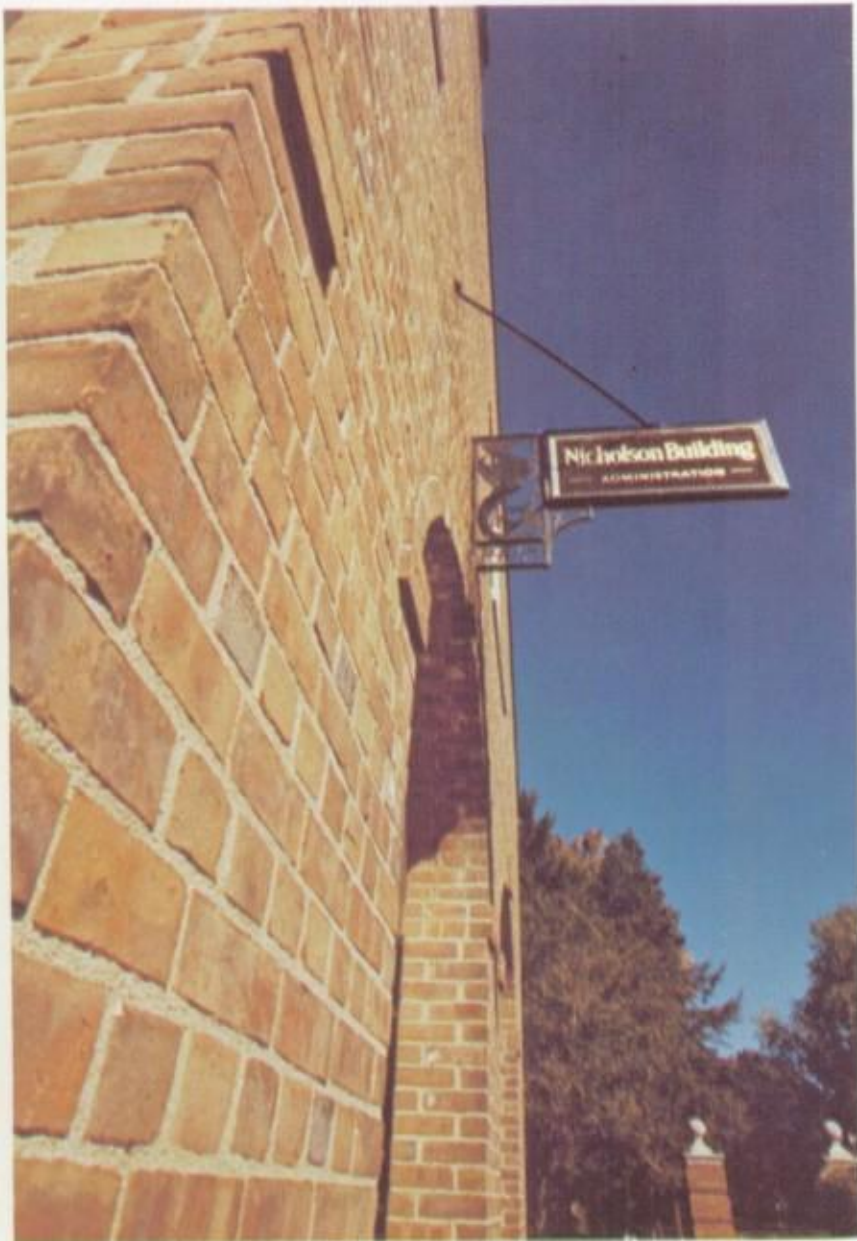

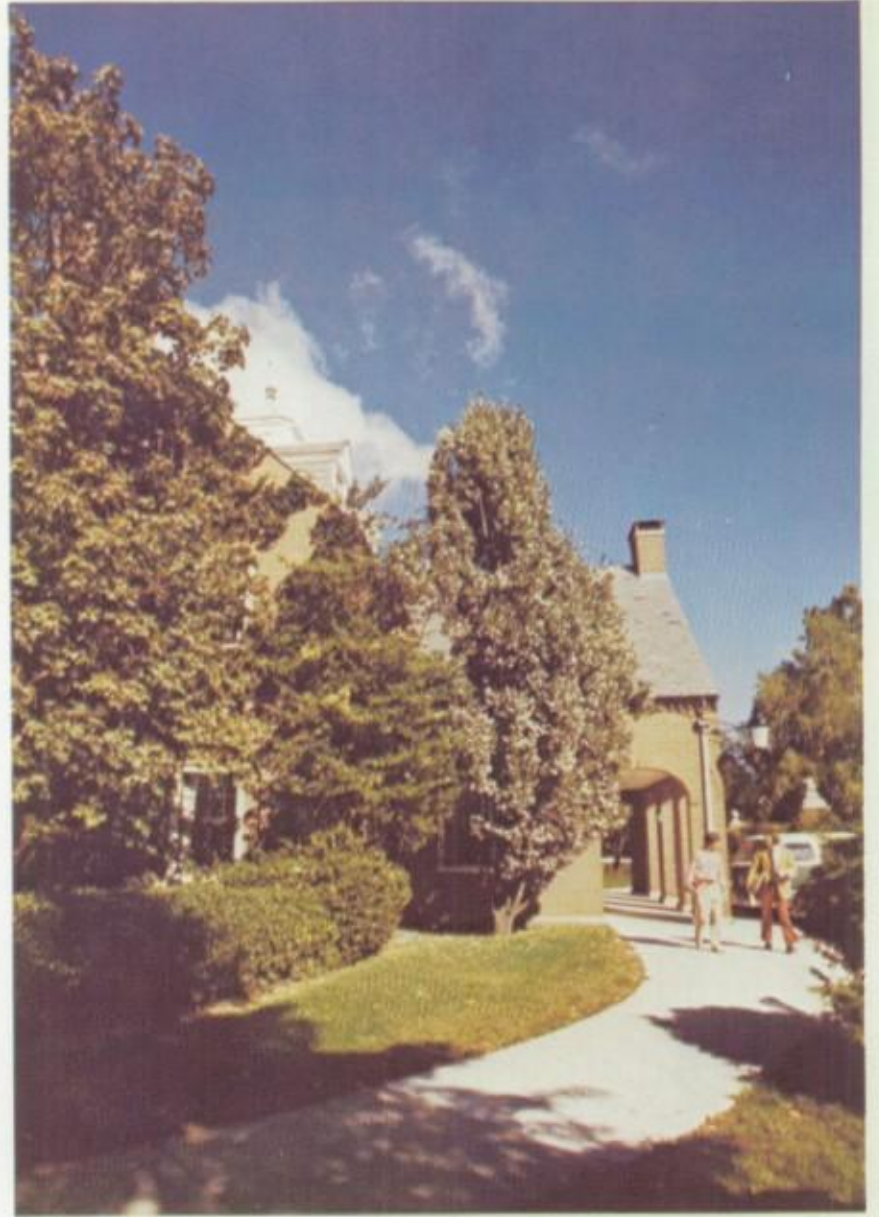

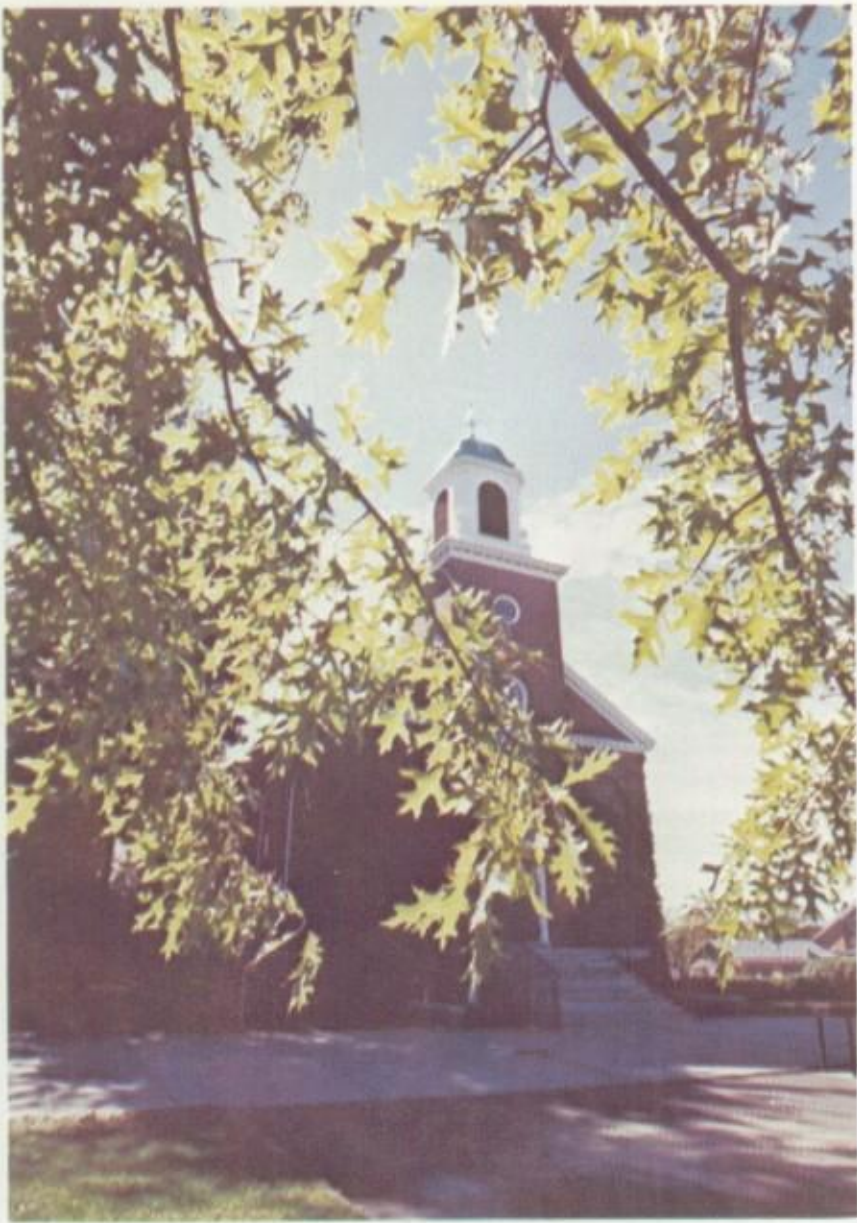

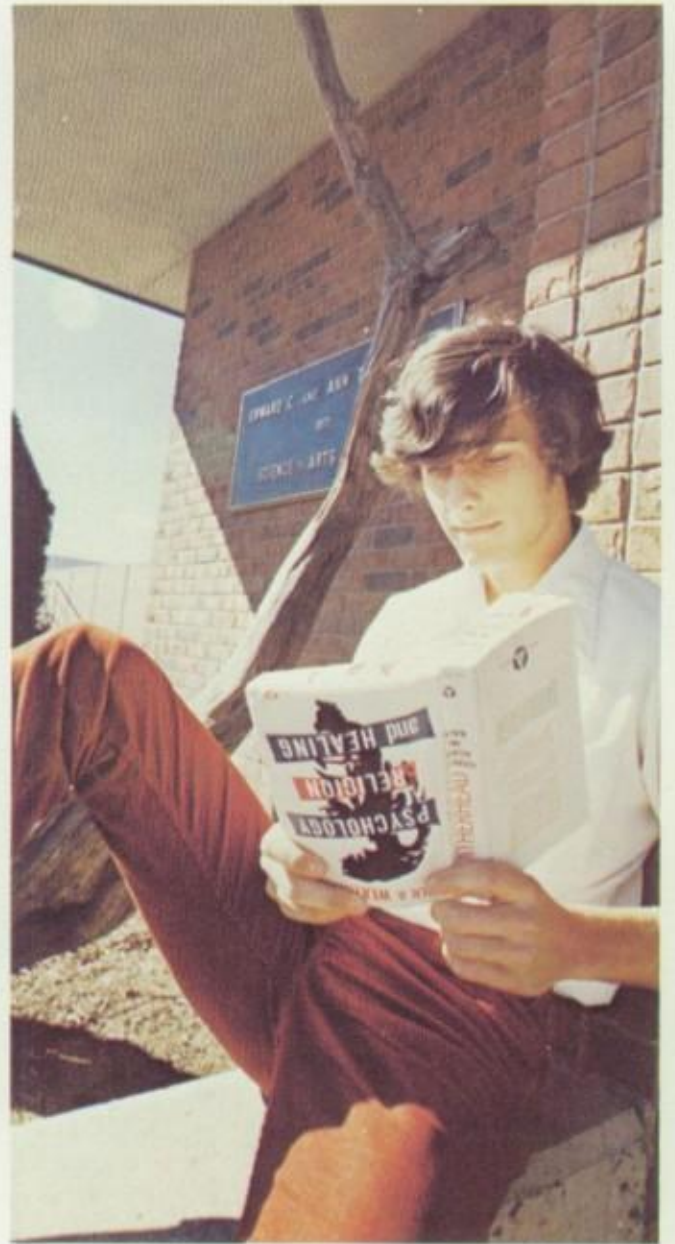

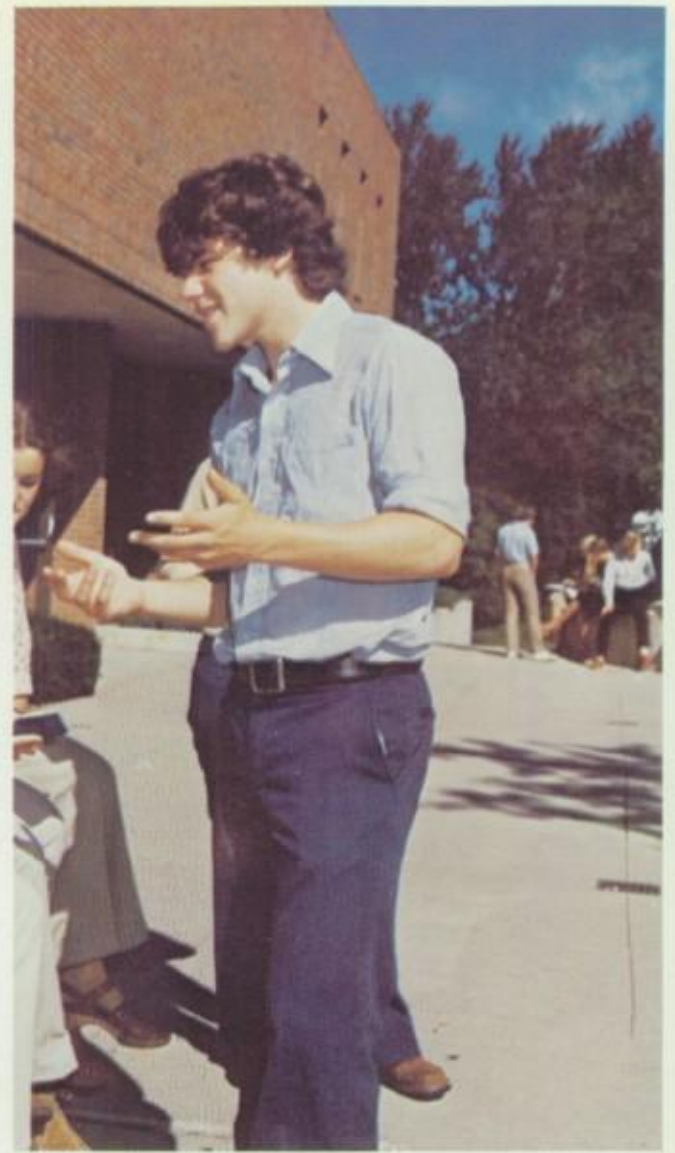

We, the class of 1978, wish to express our deepest gratitude to Mrs. Forbes for all the time and effort she unselfishly dedicated to helping us with our college applications. We also wish to thank her for her eternal patience and encouragement during a time which was especially hectic for all of us. Her genuine interest in all students, characteristic laugh, and her unfailing sense of humor will undoubtedly be remembered and appreciated by us all in the years to come.

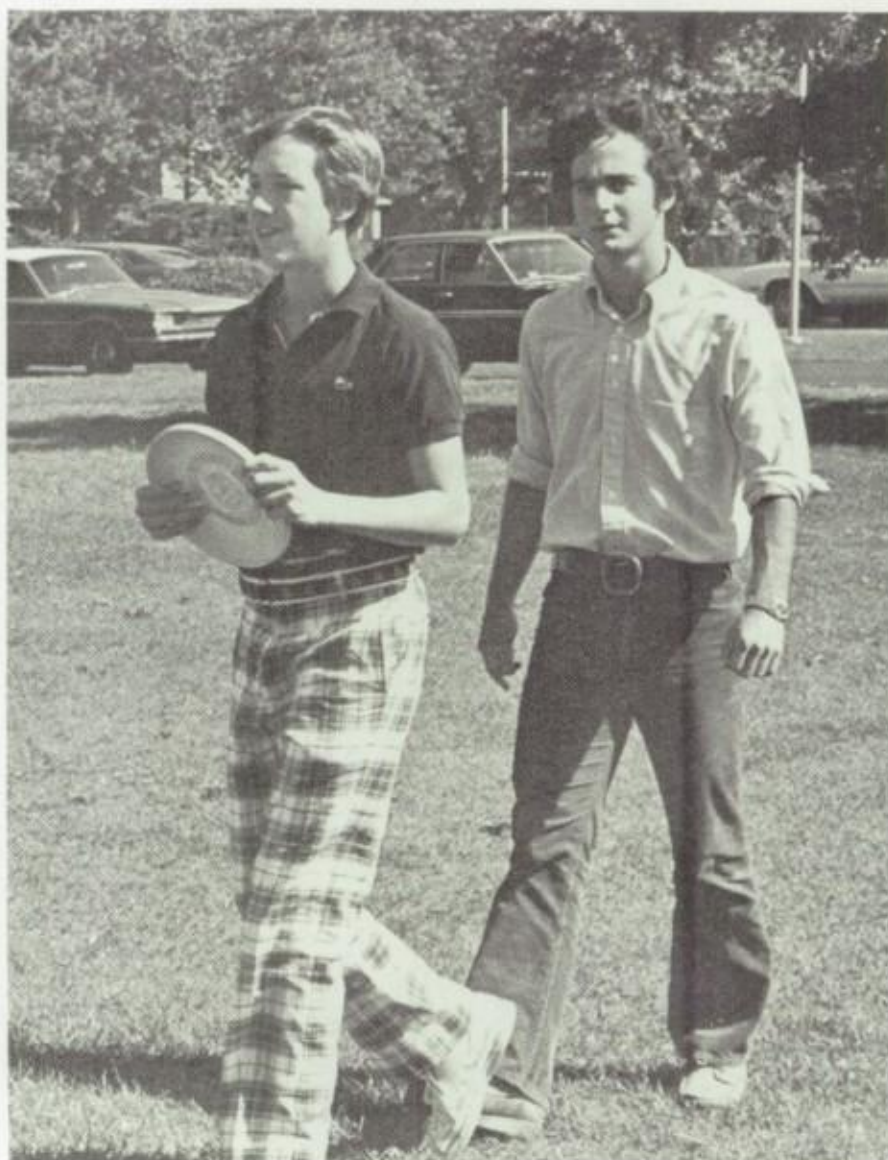

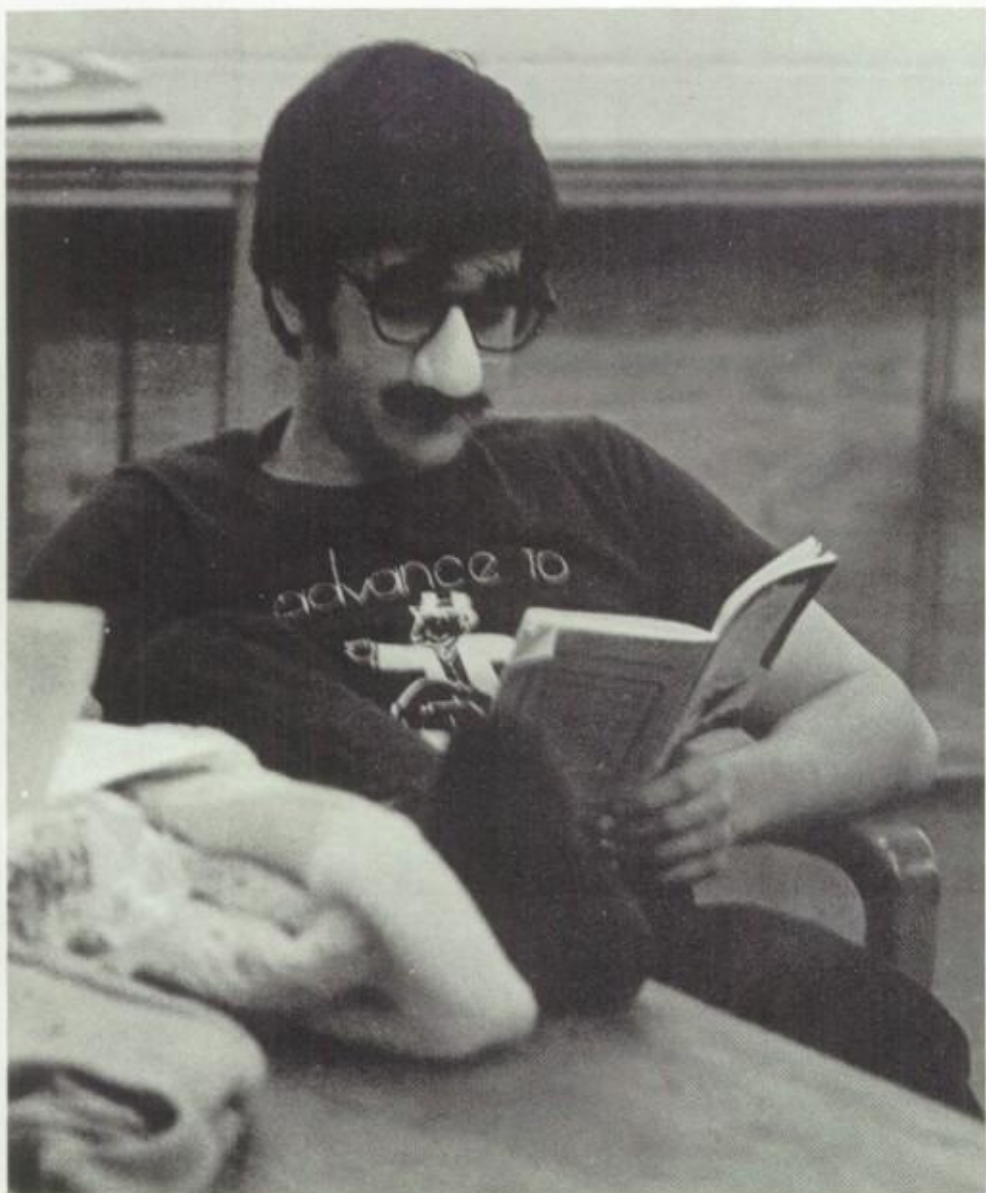

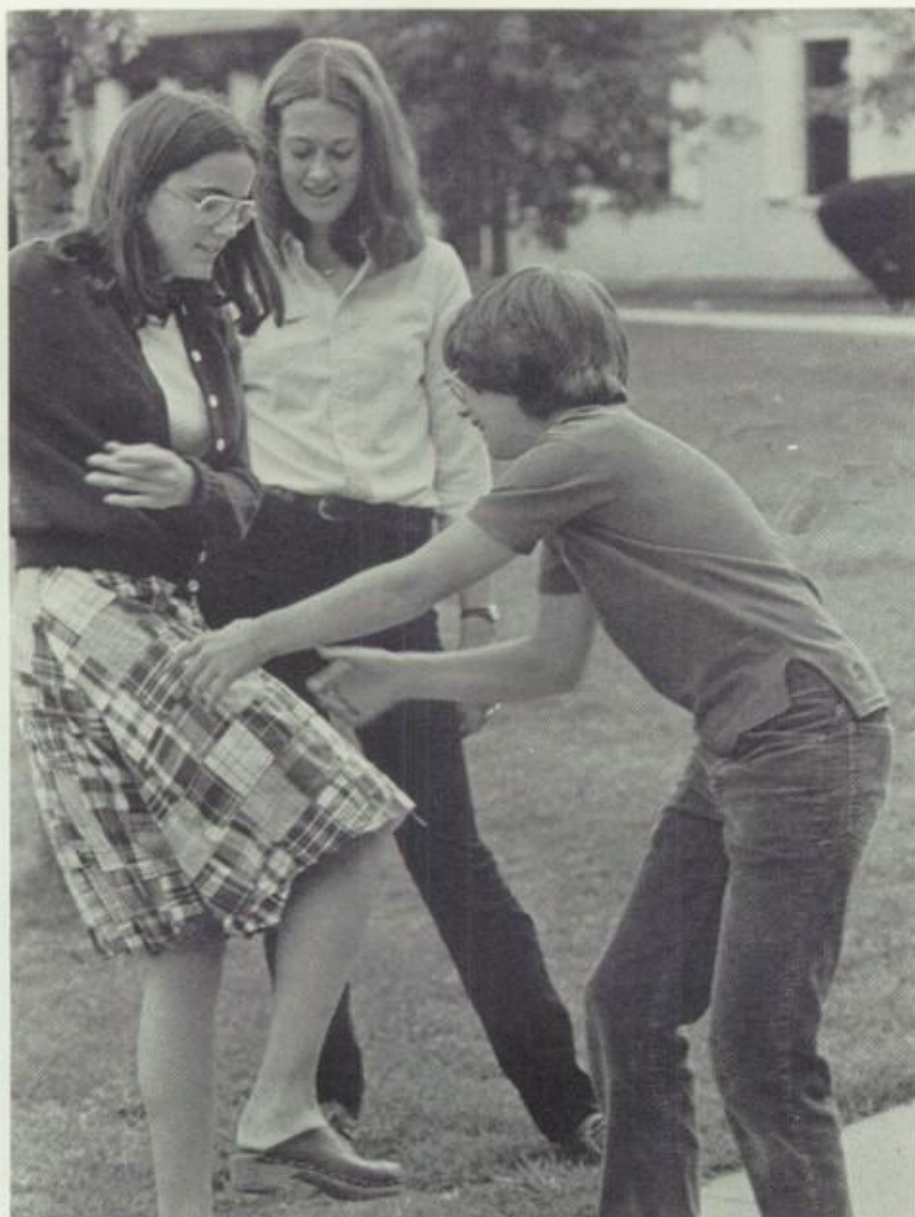

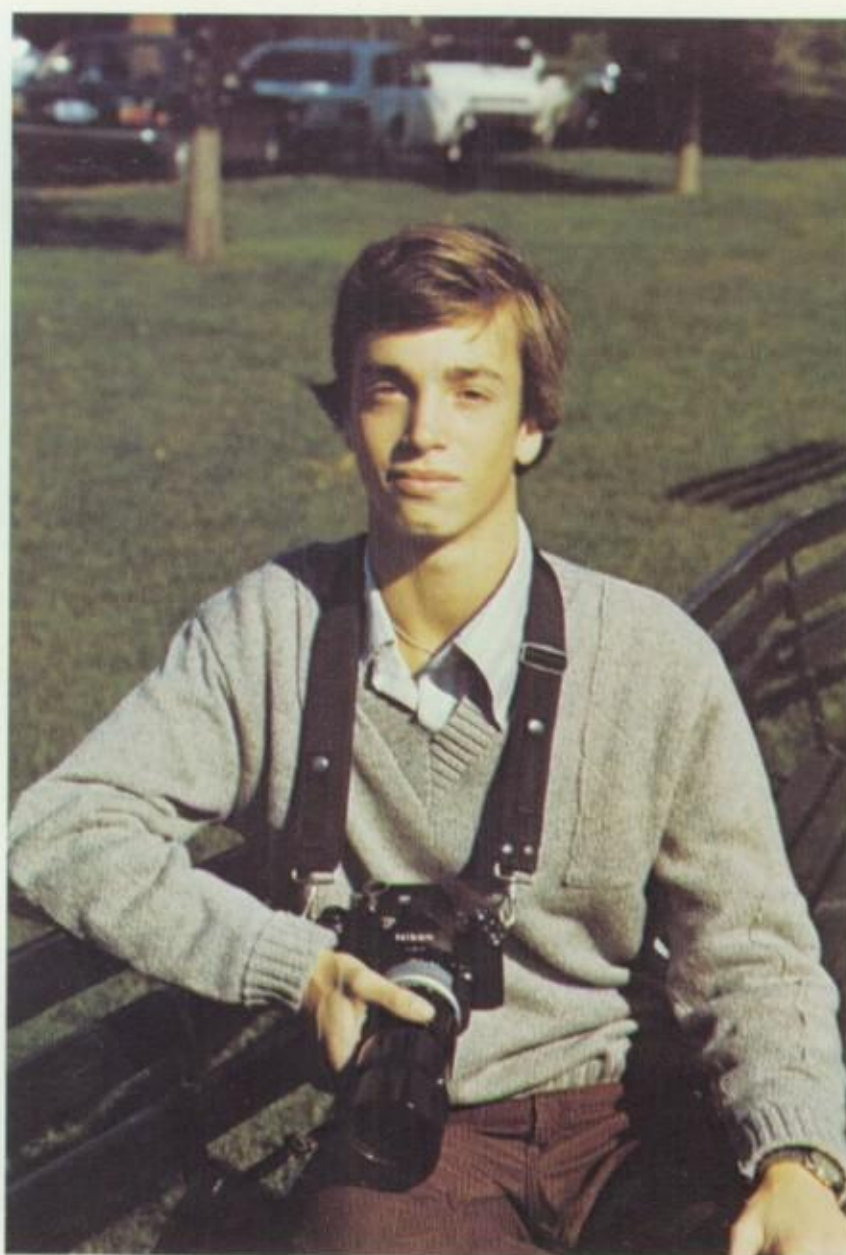

During the years that we, the class of 1978, have been at Kingswood-Oxford, it seems that the school has changed as much as we have as individuals . . .

To Dream of the person  
You'd like to be . . .  
Is to forget the person  
You are.  
— unknown —

Once I rose above the noise and confusion  
Just to get a glimpse beyond the illusion  
I was soaring ever higher, but I flew too high  
Though my eyes could see I still was a blind man  
Though my mind could think I still was a mad man  
I hear the voices when I'm dreamin' I can hear them say

Carry on my wayward son,  
For there'll be peace when you are done  
Lay your weary head to rest  
Now don't you cry no more

Kerry Livgren-Kansas

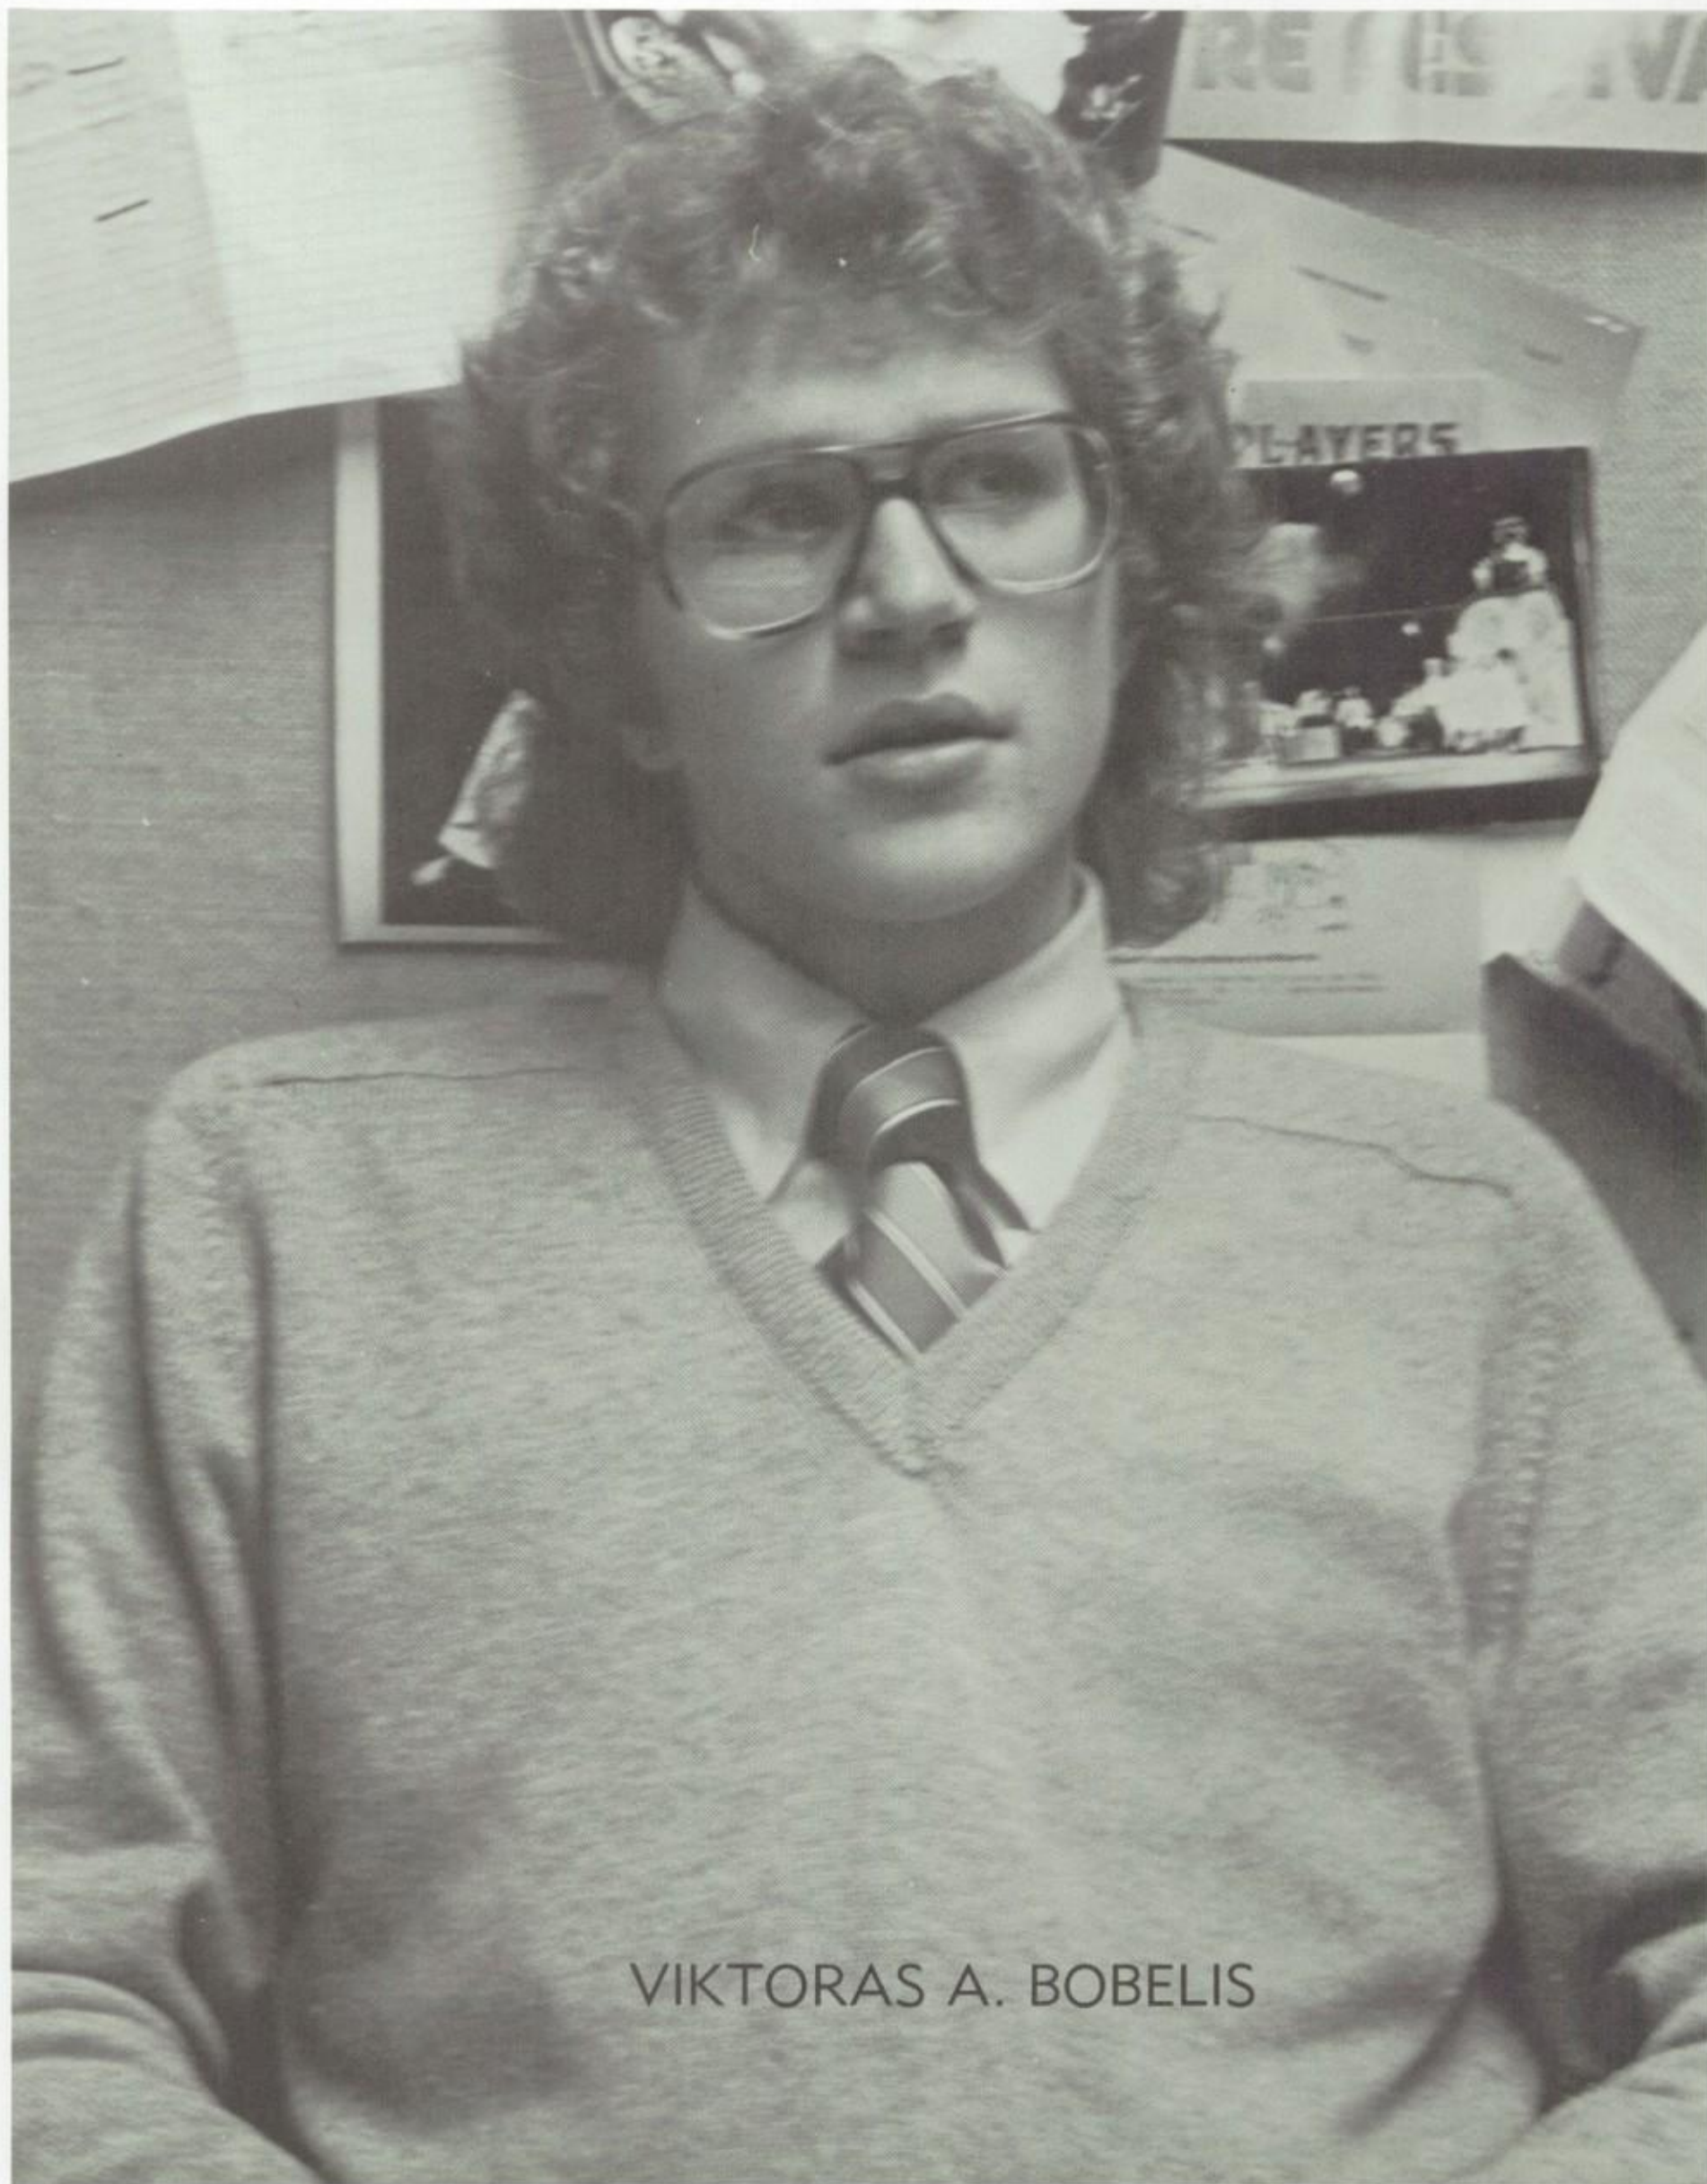

Pardon the crazy way I behave  
And the things I say  
Maybe I'm too young to know the score  
But there's something inside not right  
Wish I could vocalize  
If I screamed would you realize  
Feeling like a child without his toys  
But I just want to tell you . . .

Everything's all right  
I'm just looking at you through  
crazy eyes tonight  
So if I'm acting kind of strange  
I'm just looking through crazy eyes

Mark Twain

To my friends, and mom and dad,  
Thanx for an INTENSE six years!

Early in the morning sunlight  
Soaring on the wings of dawn  
Here I'll live and die with my wings in the sky  
And I won't come down no more

Higher than the birds I'm flying  
Crimson skies and ice and fire  
Borne on Wings of Steel I have so much to feel  
And I won't come down no more

Sail on, sail on, I will rise each day to meet the dawn  
Sail on, sail on, I will rise each day to meet the dawn  
So high, so high  
I've climbed the mountains of the sky  
Without my wings you know I'd surely die  
I found my freedom flying high  
I've climbed the mountains of the sky

Floating on the clouds of amber  
Searching for the rainbows end  
Earth so far below me,  
I'm here alone, free  
And I can't come down no more

## Prayer

by an unknown Confederate soldier

*I asked God for strength, that I might achieve . . .  
I was made weak, that I might learn humbly to obey.  
I asked for health, that I might do greater things . . .  
I was given infirmity, that I might do better things.  
I asked for riches, that I might be happy . . .  
I was given poverty, that I might be wise.  
I asked for power, that I might have the praise of men . . .  
I was given weakness, that I might feel the need of God.  
I asked for all things, that I might enjoy life . . .  
I was given life, that I might enjoy all things.  
I got nothing that I asked for — but everything  
I had hoped for.  
Almost despite myself, my unspoken prayers were answered.  
I am among all men, most richly blessed. . . .*

Thinking is the talking of the soul with itself.

All that is gold does not glitter,  
 Not all those who wander are lost;  
 The old that is strong does not wither,  
 Deep roots are not reached by the frost.

 Renewed shall be blade that was broken,  
 The crownless again shall be king.

### Sea Fever

I must go down to the seas again,  
to the lonely sea and the sky,  
And all I ask is a tall ship  
and a star to steer her by;  
And the wheel's kick and the wind's song  
and the white sails shaking,  
And a gray mist on the sea's face,  
and a gray dawn breaking.

Dancing shoes  
On the wall above your bedside  
Saw it all as we performed  
our pirouette  
Fleashes fused  
As the flicker of the candles  
Threw upon the wall a  
single silhouette.

Tu es dans ma coeur et dans ma tete

Dancing shoes  
We have loved on distant beaches  
where the winter never reaches  
There we fell  
Dying swan  
On the dawn you danced before me  
Though your eyes were dark and stormy  
I stood still.

Qui peut dire le faux et le reel?

Dancing shoes  
Though the distances divide us  
There's a paradise inside us  
We can't lose.  
Me and you  
Dance a 'pas de deux'  
Forever  
And I pray you never  
Shed your dancing shoes.

Life so they say  
is but a game and they let it slip away  
Love like the autumn sun  
should be dying but it's only just begun  
like the twilight in the road up ahead  
they don't see just where we're goin' all the secrets in the universe  
whisper in our ears and all the years come and go  
and take us up always up

We may never pass this way again  
We may never pass this way again

Dreams so they say  
are for fools and they let'em drift away  
peace like the silent dove  
should be flying but it's only just begun  
like Columbus in the olden days  
we must gather all our courage  
said our ships out on the open sea  
cast away our fears and all the years come and go and take up up  
always up

We may never pass this way again  
We may never pass this way again

I want to laugh while the laughin' is easy I want to cry if it makes it  
worthwhile  
I may never pass this way again  
that's why I want it with you

You make me feel like I'm more than a friend  
like I'm the journey and you're the journey's end

We may never pass this way again  
We may never pass this way again  
We may never pass this way again

"Don't let it bring you down it's only castles burn-

— Neil Young

On this lonely day,  
here I sit;  
and the lines of the palm of my hand  
look up at me.  
Here is my life, staring me in the face.  
Here is my heart, extending far  
— as far as it can.  
Like my mind,  
the roots of these lines-my lines,  
grasp at nothingness  
when I make a fist.

Thank you all for six years of learning and grow-  
ing.

"Look at those dancers gliding around  
Seems as if their feet  
Don't hardly touch the ground.  
Look at them smiling  
Like they knew one another  
And they never would come down.  
Turn around and hold me.  
I'd like to see your face alone.  
I'm hoping there's someone home.  
I'd like to meet you, who do you see?  
Introduce yourself to whichever of me  
Is nearby.  
Close behind your eyes you're laughing at me  
And I'm stuck with no instructions that I can see  
To steer by.  
Stick around, its tricky ground.  
I'd like to see your face alone.  
I'm hoping there's someone home.  
Two or three people fading in and out,  
Like a radio station that I'm thinking about  
But I can't hear  
Who gets breakfast? Who gets lunch?  
Who gets to be the boss of this bunch?  
Who will steer?  
Turning, turning, to see your face alone.  
I'm hoping there's someone home.  
Dream, do you dream,  
Dreaming, do you?  
In my dreams I can see I can.  
I can see a love that could be."

High on this mountain  
the clouds down below  
I'm feeling so strong

From this rocky perch  
I'll continue to search  
For the wind and the

I want a lover  
I want some friends  
And I want to live in the sun  
And I want to do all  
the things that I  
never have done.

Life is unreal

Friendship is a footbridge joining two isolated bodies together allowing free and confident passage, sharing what each has, and adding to the sum total of each.

To be a friend, one must be as tolerant to the other as to himself. Thus the self is lent.

Cherish your friends . . . they make up a mans wealth more surely than gold . . . for a man without a friend is like a cork without a bottle.

It is not necessary to tell a friend you like him. He knows. Defend your friends, evaluate your friends help your friends, and you will find that even your enemies will want to be your friends.

Friendship is the most valued and important tie between two people . Love will follow the natural course of any true friendship.

I fish because I love to; because I love the environs where trout are found, which are invariably beautiful, and hate the environs where crowds of people are found, which are invariably ugly; because of all the television commercials, cocktail parties, and assorted social posturing I thus escape; because, in a world where most men seem to spend their lives doing things they hate, my fishing is at once an endless source of delight and an act of small rebellion; because trout do not lie or cheat and cannot be bought or bribed or impressed by power, but respond only to quietude and humility and endless patience; because mercifully there are not telephones on trout waters; because only in the wood can I find solitude without loneliness; because bourbon out of an old tin cup always tastes better out there; because maybe one day I will catch a mermaid; and, finally, not because I regard fishing as being so terribly important but because I suspect that so many of the other concerns of men are equally unimportant—and not nearly so much fun.

## varsity football

1-7 goes into the record book this year. The only victory came over a much improved Westminster squad by a 13-6 margin. This does not tell the story for the 1977 edition of Kingswood Football. One or two breaks in critical situations would have improved the gridmen's record considerably. In several games the offense outgained its opponents and the defense gave up one touchdown or less.

Departing will be Co-Captains Tim Ribadeneyra and Wayne Paulekas, Linemen Bob Roth, Doug Moore, and Mike Kaplan, Running Backs Ed Haverty and Kevin Griswold, Defensive End Bill Elliott, and Offensive Ends V.J. Dowling and Brian Mongillo. The 1978 squad will be led by Co-Captains Fred Cuda and Bill Parsons. A nucleus of fifteen Juniors and eleven Sophomores leave bright hopes for next year.

Row 3 — Shimkus, Janzen, Hastings, Blackham, McLean, Line, Bower, Glass. Row 2 — Simons, McKenna, Waskowitz, Parsons, Appleton, Macko, Brady. Row 1 — Glassman, Eddy. Missing — Brady, S., Marshall, Warner.

## boys varsity soccer

The 1977 Varsity Soccer Team ended a disappointing year with a record of 1-8-5. The team played its best game when it tied Trinity-Pawling, the number one team in the league at the time, and lost a close decision to Williston, 2-1. The single victory was over Suffield. The team usually stayed in close competition, and lost only three times by more than two goals.

Halfback Co-Captain Peter Eddy finished his career at Kingswood with 58 varsity games. The defense, led by Co-Captain Andy Glassman, Bob Waskowitz, Chuck Shimkus, and goalie Jay Blackham, did a steady job guarding the goal. Marshall McLean led the team in scoring five goals. He was joined on offense by seniors Peter Parsons, David Warner, and five underclassmen.

Next year's squad will have eleven returning lettermen, all of whom gained valuable playing experience this year. They will be led by Captain Gib Brady.

# girls varsity soccer

Row 2 — Coach Thomsen, Sigal, White, Bush, Castaldi, Perry, Davis, Savin, Dodd, Davenson, Jacobson, Zabel, Creedon, Richardson. Row 1 — Krevolin, Taylor, Anderson, Bubbles, Tryon, Calvert, Kowalski, Gaffney, Graham, Lazor, Silk.

The Woman's Varsity Soccer team ended it's season with a 10-2-1 record. Led by co-captains Jill Tryon and Sandra Calvert, the Lady Wyverns only bowed to Westminster and Berkshire. The former was lost in the last 30 seconds of the game by a shot from the Marlet's right wing. The team could not put it together after a 2 hour bus ride and lost to Berkshire 2-0. The best game the women played was their last one of the big season against the Big Red of Taft. Taft, had handily defeated everyone else they had played and came into the game with a bit of over confidence. The Lady Wyverns defeated Taft 3-0, with 2 goals — one by junior Jill Sigal and one by junior Terry Savin. Senior goalie, Tyler Perry had a fine day with a shut out and 13 saves.

Next year's team is losing quite a few valuable players. On defense, Libby Zabel, Diane Castaldi and Tyler Perry, are practically irreplaceable. On the offensive line, co-captains Jill Tryon & Sandy Calvert will be missed along with Suie Creedon. Yet, next year's team will have the experience necessary for a very successful season.

Row 3 — Johnson, DeGraff, Putnam, Sharasheff, DeLana, Pitrus, Lynch, Ms. Kano. Row 2 — Lindsay, Connolly, Davis, Buckley, Alderman, Howard, McLean, Freeman. Row 1 — Emery, LeBlanc, Pigott, P., Pigott, M., Norcross, missing — Dawson, Fahy.

## girls varsity field hockey

Led by Co-Captains Liz Fahy and Patsy Pigott, the Varsity Field Hockey Team compiled its most successful record (8-2-5) in over four years. The only two losses were to two very strong opponents. The team lost to Choate by only one goal and fell to Westminster by a score of 4-1. However, the team managed to defeat several traditionally strong teams including Taft (3-1) and Miss Porter's School (2-1). The victory over MPS was the first one over MPS in K-O field hockey history.

The success of the team can be attributed to the depth of talent and the excellent coaching of first-year coach Miss Kano. A strong-skilled offense drilled in 35 goals while an equally powerful and consistent defense gave up only 17 goals. At the inner positions, juniors Holly Howard and Laura LeBlanc led the offense in goal-scoring and assists, while receiving support from senior wing Denise Dawson and Sophomore wing Kathy McLean.

The defense, led by Co-Captain Pigott, received excellent support from fullbacks Betsy Degraff and Susie Putnam; halfbacks Beckie Johnson, Laney Lynch and Marty Pigott; and from goalies Libby DeLana, Beth Norcross and Mary Sue Buckley.

The team will sorely miss the additional support and enthusiasm of seniors Diana Emery, Liz Fahy, Brooke Freeman, Gretchen Pitrus, and Darci Sharasheff.

Next year, the team will look for leadership from Co-Captains Holly Howard and Suzy Putnam. The team will also count on support from Jane Alderman, Mary-Elise Connolly, Anne Davis, Betsy Degraff, Laura LeBlanc, Pat Lindsay, and Marty Pigott.

Row 2 — Mr. Kyff, DePhillips, Melnick, McNamara, Michels, Satell, Walker, Maloney, Youmans, Mr. Doyle. Row 1 — Thomas, Putnam, Udolf, Collins, Roberts, Beck, Lederman, Hull, Grody. missing — Norcross.

## varsity cross country

Regardless of its record, the Cross Country Team felt that it had a good season. Coach Dayle said that the 3-8 record reflected stiff competition from all schools. Captain Parker Roberts and junior Wylie Collins led the team to victories over Hopkins Grammer, Pomfret, and ASD. The Harriers took 11th place out of 16 schools in the New England Class B Championships.

Next year promises to be a winning season for the team. The team will suffer from the loss of Captain Roberts and seniors Marc Lederman and Erica Grody. Next year's team, led by returning lettermen Wylie Collins, Carl Beck, Robert Udolf, and Tim Putnam, should gain many victories.

## varsity volleyball

The Kingswood-Oxford Volleyball team began its second successful season with rigorous pre-season training, which included miles and miles of arduous sprinting to famed Elizabeth Park. Their game play showed the enthusiasm and undeniable skill characteristic of the underrated team. The departing veterans wish the best of luck to all those who will continue the great and demanding precedents they have set. Allez!

## varsity hockey

This year's hockey team had its ups and downs. It played perhaps the finest game played by a Kingswood team in recent years by defeating a Farmington team that did very well in its conference, with a score of 9-0. At other times, a loss of concentration caused them to lose games that might have been won.

The leadership of captains David Warner and Bill Elliott, especially during the difficult practice sessions, was very helpful. Seniors Bill Walton, Max Leventhal, Marshall McLean, Joe Gianni, David Siegal, Pete Haines, Jon Nitkin, and Chris Ladas will all be missed. Next year's Captains will be Jim Ulcickas and Andy Satell.

The hockey program has come a long way from its days four years ago as a club sport. The schedule is certainly a representative one, and this year's 5-8-1 record shows that Kingswood hockey has become competitive and should continue to grow.

Row 2 — Mr. Brennan, Carlson, McAuliffe, Kask, Rudder, Gustafson, Wells. Row 1 — Smith, Stephan, Meaney, Ribadeneyra, Bonee. Missing — Griswold, Dorman.

## boys varsity basketball

The 1977-78 edition of Wyvern basketball finished with a disappointing .13-9 ledger, including a more respectable 12-5 record in New England Class B competition. The season may perhaps be divided into two portions, those games played before January 19, and those contests after that date. That day marked the end of the brilliant career of senior Co-Captain John Meaney, as he sustained a knee injury during practice. Prior to Meaney's injury, the team was 7-3, and had annihilated previously undefeated Pomfret 79-53. After this injury, suffering the loss of the school's all-time assist leader and second all-time scorer (1,226 pts.), the Wyverns struggled to maintain a .500 record. The team was spurred on in the latter stages of the season by the possibilities of an invitation to the New England Class B Prep Tournament, but through the wish of some class B teams to compete in the class A tournament, the Class B field was reduced to four teams, and the Wyverns were not included. The Wyverns finished the year with a sixth-place finish in the annual St. Stephen's Tournament in Virginia.

Tim Ribadeneyra, the other Co-Captain, classmate Kevin Griswold, plus juniors Gib Brady, Fred Kask, and Mike McAuliffe keyed the Wyverns in the second half of the year. While Meaney, Ribadeneyra, and Griswold depart, the outlook for next year is somewhat dim, as these three players were the mainstays of second-year head coach Ed Reilly's squad. The Varsity compiled a 66-20 record in the last four years until Meaney's injury, but bolstered by other returnees Mike Gustafson, Steve Rudder, Andy Bonee, Rick Wells, Chris Stephan, Steve Carlson, and Jeff Smith, they could be competitive in 1978-79. The Co-captains will be Gib Brady and Fred Kask.

Row 2 — Graham, Lynch, Fahy, DeLana, Putnam, Howard, Alderman, Zabel, Mr. Thomsen. Row 1 — McLean, Krevolin, Lindsay, Calvert, Ribadeneyra, Jacobson. Missing — Tryon, Sigal.

## girls varsity basketball

The Girls' Varsity Basketball Team ended the season strongly after many setbacks in the beginning. Through illness and injury, Coach Thomsen never entered a game with a full team. After two losses, the team, led by Co-Captains Jill Tryon and Sandy Calvert, bounced back to win the next three games. One of these victories was over Suffield, who has beaten the lady Wyverns quite handily for the last two years. The high scorer was Tryon, who averaged approximately 14-16 points per game. The team had a great loss when she reinjured a knee which has stopped her from participating in athletics to her fullest potential this year. Calvert, Liz Fahy, and Libby Zabel are the only seniors who will be leaving the squad. They all will be missed. Next year's team, at full strength, should have an excellent season with juniors Jill Sigal, Holly Howard, Janna Jacobson, and sophomores Libby DeLana, Kathy McLean, Carol Ribadeneyra, Laney Lynch, Janet Krevolin, and Pat Lindsay. The team should look forward to an extremely successful season next year. The Co-Captains will be Holly Howard and Janna Jacobson.

## girls varsity skiing

The girls 1977-1978 Varsity Ski Team, led by Co-Captains Erica Grody, and Suie Creedon, finished the season with a respectable record of 13-7-0. The ladder was headed by Erica Grody, who won first place in every meet except one, in which she came in second. She was followed by Co-Captain Suie Creedon and juniors Betsy DeGraff and Heidi Richardson who all had equally good seasons. Sophomores Laura Williamson and Bobbie Bush skied extremely well, and towards the end of the season, they began to ski top positions. Other strong skiers were junior Patti Davis and Freshmen Alison Webb and Carolyn McKenna.

A highlight of the skiers' seasons was the Brody Invitational in which thirteen schools participated. Five girls from each school were involved in both slalom and giant slalom. K-O skied very well as it came in fourth. The last big event was the Championships held at Berkshire East. The girls had an unfortunate loss to Rosemary Hall by a slim two seconds, and came in second out of five schools.

The team looks forward to skiing more challenging teams and hopes to have a strong season next year with Co-Captains Betsy DeGraff and Heidi Richardson, Laura Williamson and Bobbie Bush all returning. They will miss their two top skiers and the help of Martha Dworkin.

Special thanks to Coach Richard Gordan and volunteer Coach Tom Richardson.

Albert, McKenna, M., Hopkinson, O'Meara, Roberts, McKenna, D., Cuda, Simons, Mr. Duke, Maxim.

## boys varsity skiing

The Varsity Slopesmen compiled an admirable, though somewhat disappointing 10-2-1 slate during the 1977-78 season. Coach Ben Duke's squad was led by senior Co-Captains Mark McKenna and Jim O'Meara but was blessed throughout the season with fine support from other team members. Other racers were juniors Fred Cuda and John Simons; sophomores Skip Hopkinson, Peter Russell, John McKenna, and Dan McKenna; and freshman Peter Albert. Many of this year's meets had to be cancelled due to the inclement New England weather.

The best performance of the season was exhibited by Dan McKenna in the Berkshire Invitational. Dan finished first in the Giant Slalom and second in the Slalom in that meet. He won top honors in both events of the Berkshire League Championships at Catamount, as the Wyverns equaled tourney-champ Hotchkiss for the regular-season league championship. Other strong performances were by Skip Hopkinson, Mark McKenna, Jim O'Meara, and Fred Cuda, as the superior depth of the Wyvern team paved the way for most of the victories.

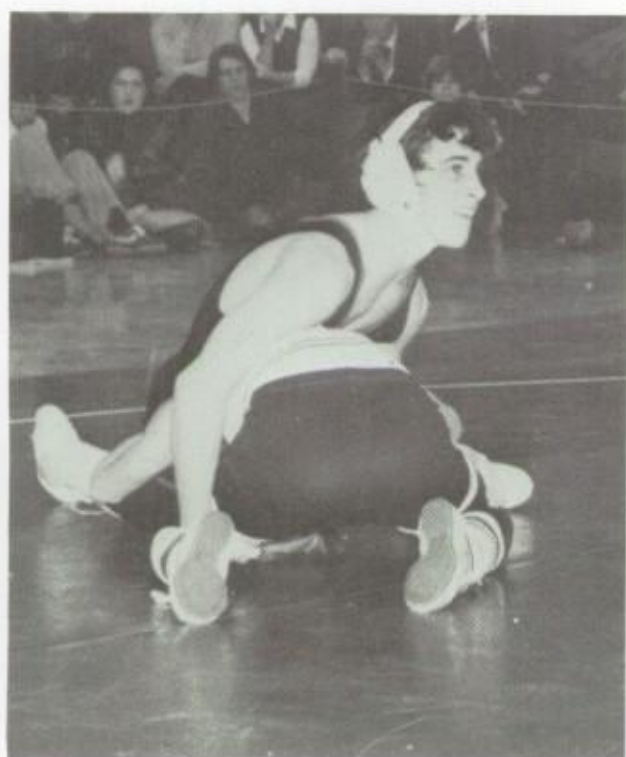

Coach Duke was pleased with the season's outcome and praised the effort and dedication of the entire team. The loss of two seniors will be felt, but Duke's team should still show depth next year. The Co-Captains will be Fred Cuda and Dan McKenna.

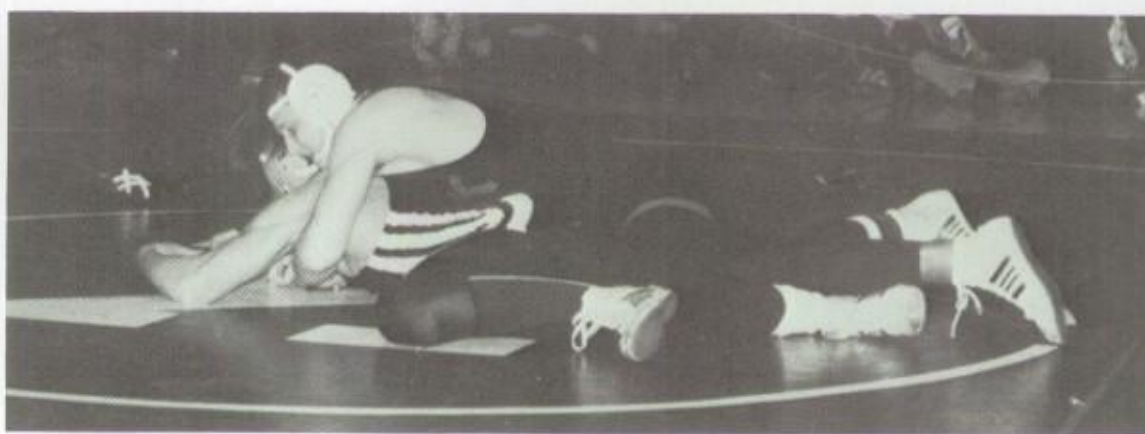

Row 2 — Romasanta, Tarantul, Izard, Roth, Hastings, Goldstein. Row 1 — Stephan, Haverty, Meyers, Nussbaum, Haverty, Paulekas, Meyers, Eddy. Missing — Blackham, Feldman, Mongillo, Hornblow.

## varsity wrestling

The Varsity Wrestling team finished its season with an impressive 10-3 record and a third place finish close behind Suffield and Loomis in the Western New England Tournament. Senior Co-Captains Ed Haverty and Richard Hastings, who both placed in the tournament, led the team in their convincing wins over Hopkins, Choate, and Taft. Seniors Peter Eddy and Bob Roth topped off a strong season with a third and first place finish respectively. At 145 pounds, senior Wayne Paulekas and junior John Powers alternated, each adding many crucial points to the team score. Paulekas also finished third in the tournament at 145. Coaches Stiehler and Brown both felt that this year's team was one of the strongest they had coached.

The leadership of Haverty and Hastings will be missed next year, as will the five other graduating lettermen. Ron Goldstein and Peter Meyers, both finishing second in Western New England, will lead next year's team consisting of seven returning lettermen. Freshman Timmy Haverty, finishing second at 100 pounds, and Paul Stephan, finishing third at 105 pounds this year, will give added strength to next year's lower weights. Next year's team will try to improve on this year's strong performance in the regular season and tournament wrestling.

Row 3 — Margolis, Allmendinger, Jacobson, Guillet, Newton, Palidoro, White, Kliman, Beebe. Row 2 — Johnson, Calhoun, Pigott, P., Pigott, M., Taylor, Taggart, Murray, Baker. Row 1 — Ridlon, Fowler, Ergin, Mahoney, Sherpick, Marshall, Shaughnessy.

The Girls Varsity Swim team finished the season with an even 4-4 record. Highlights were defeats of Miss Porters and Hopkins, and strong performances in the CISSAC's and the New Englands by Ann Fowler, Marty Pigott, Laura LeBlanc, Patsy Pigott, and Terri Taylor. The team will miss seniors Ann Fowler and Patsy Pigott, but will look for added depth from the younger swimmers next year. The Co-Captains will be Laura LeBlanc and Marty Pigott.

## varsity swimming

The Boys Varsity Swim Team recorded its best season ever this year finishing off with a 3-4 mark. The swimmers were slow off the blocks opening the season with a loss to Hopkins before the holiday break, but managed to even the tally by soundly defeating the Avon Old Farms J.V. The next two meets against Canterbury and Cheshire, both certain victories, were cancelled. The team then found itself confronted with the powerful swimmers of Westminster and Williston. The last leg of the season was climaxed by fine performances in the CISSA championships and a victory over Kent School.

Next year, the team should have another good season despite the loss of the team's only senior, diver Mike Margolis. His gap will be tough to fill, but with the return of junior Co-Captains Tarik Ergin and David Ridlon, sophomore Ted Newton, freshman Tim Jacobson, and eighth-grader Billy White, a good season is expected.

Row 3 — Youmans, Marsh, Juros, Downes, S., Neiditz, Miss Welch. Row 2 — Baker, Walton, Zessos, Ravalese, Miller, Downes, M., Albert. Row 1 — Silk, Cuda. Missing — Duke.

## varsity gymnastics

The Kingswood-Oxford Varsity Gymnastics team opened its season with an encouraging win over Northfield Mt. Hermon. It continued to leap its way to victory by defeating Suffield, Renbrook, and East Longmeadow.

The girls were led to victory by Co-Captains Stacy Silk, and Beth Cuda. They were supported by teammates Jennifer Juros all-around; Laurel Baker, Susie Downes, and Vicki Walton on floor and beam; Kim Miller on floor; Bev Ravalese, Maribeth Downes, Nancy Albert and Jennifer Nieditz on bars; and Daniella Duke and Stephanie Zessos on vaulting. Next season should be a good one for the girls, because they will not be losing anyone. The Co-Captains will again be Stacy Silk and Beth Cuda.

## boys varsity lacrosse

The Wyverns, in an effort to defend their Division One Title of '77, face the largest schedule in the team's history. Nevertheless, the team is highly optimistic as they looked impressive in the early part of the season. Some of the tougher competition this year will be found in the likes of Prep School powers Deerfield, Hotchkiss, and in the defending high school champions of Connecticut and Massachusetts; Wilton, and Longmeadow respectively. Traditional rivals such as Loomis, Taft, Conard and Hall will also be on the schedule.

The '78 team will be led by Senior Co-Captains Bill Elliott, and Bob Waskowitz. Bolstering a strong defense in addition to Elliott will be returning Junior Fred Kask, Senior Doug Moore and All-League Goalie Jim Ulcickas. In the Midfield, the team looks to Bob Waskowitz, Kevin Griswold, Eddie Haverty, Tarik Ergin, Max Leventhal and Brian Mongillo to provide sound defense and considerable scoring. The attack will be powered by Seniors Ridgely Mauck, Mike Kaplan, Jon Nitkin and Junior Gib Brady.

With this team's experience and talent combined with Coach Lindsay's ability to produce a winner, it will be an exciting season.

## girls varsity lacrosse

Under the direction of first-year coach Miss Kano, this year's Girls Varsity Lacrosse Team looks forward to improving tremendously upon last year's 3-6-3 record. With a strong goal-scoring offense and a solid defense the chances of accomplishing this goal are excellent.

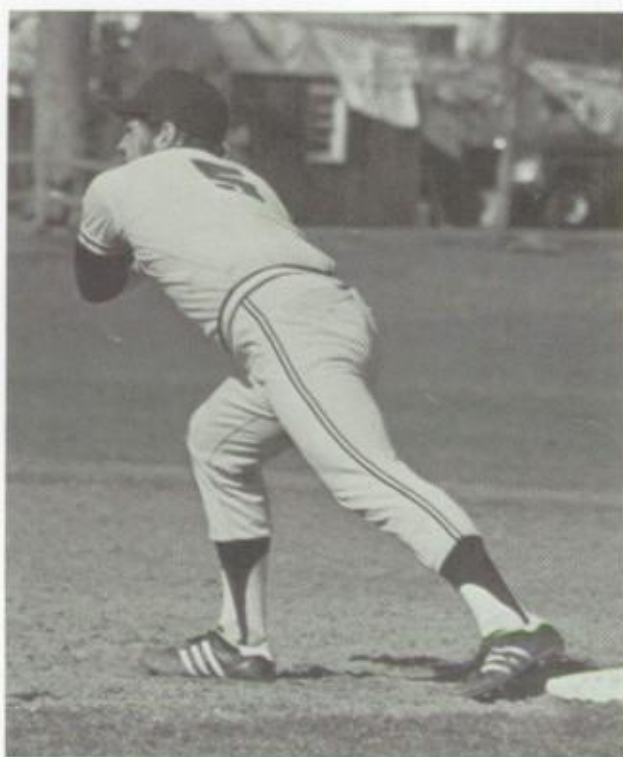

Led by Senior Captain Sandy Calvert (third home), the attacking power consists of Juniors Holly Howard (second home) and Terri Savin (attack wing), Sophomores Libby DeLana (center), Janet Krevolin (first home) and Laney Lynch (attack wing). The defense is comprised of returning Junior Letterwoman Susie Putnam (point) and several new varsity team members including Senior Beckie Johnson (defense wing), Junior Anne Davis (third man) and Sophomores Jane Alderman (defense wing), Bobbie Bush (defense wing), Kathy McLean (defense wing), Terri Taylor (cover point) and Korin Wolman (utility player). Sophomore Liz Taggart, who has demonstrated great potential in the goal cage thus far will tend the net for this year's team.

Row 2: Meyers, Bonee, Redden, Grower, Onorato, Meskill, Malony, Lorden. Row 1: Gustafson, Simons, McLean, Meaney, Blackham, Shimkus, McAuliffe.

## boys varsity baseball

The Varsity Baseball Team is optimistic about its chances to improve upon last year's 7-6 ledger. The team is led by the mound corps, consisting of senior captain John Meaney and his classmate Chuck Shimkus. The lefty-righty duo is completed by the strong relief efforts of underclassmen Mike Gustafson, Tom Maloney, and Tim Lorden. Other members of the squad include hard-hitting Jay Blackham, and out-fielders Peter Meyers and Andy Bonee. The infield is anchored at shortstop by Chris Redden, with Marshall McLean to his right at third, and John Simons to his left at second. Behind the plate are Tim Lorden and Bob Grower. Other members include John Meskill and Mike McAuliffe. Coaches Bob O'Brien and George Dixon are hoping that although the team will be inexperienced, the veterans such as Meaney, Shimkus, and Meyers will lead to a winning year.

softball

This Spring's softball team has a big task to match last year's 11-3 record, and a good team to do it. Coach Beatty's team is led by Co-Captains Libbey Zabel and Patsy Pigott, with a large core of returning lettermen, including Jill Sigal, Marty Pigott, Janna Jacobson, Tricia Maerz, Brooke Freeman, Diane (spike) Kowalski, and Diana Rogers. New additions to the team are Kate Gaffney, Laura LeBlanc, Mary Thompson, Sarah Whitaker, Laurel Baker, and Jane Potoff.

Once again the team has a lot of good hitters, steady fielding, and a strong pitching staff of Jacobson and Maerz. Hits will be expected from the Pigotts, Jill Sigal, Libbey Zabel, and Janna Jacobson. The young infield has Zabel on first base, LeBlanc at second, Kowalski at shortstop, Marty Pigott on third, and Patsy Pigott behind the plate. The outfield consists of Jill Sigal in left, Kate Gaffney in center, and Janna Jacobson in right field.

The softball team not only looks good for this Spring, but with only four seniors, it can be expected to produce many more good records in years to come.

Coach Glassmire, Macko F., Johnson, Appleton, Berman T., Macko, G., Albert, Berman, J., Bobelis, Udolf.

## boys varsity tennis

Coming off of an outstanding southern trip and a victory over the strongest field ever in the Kingswood Invitational's six year history, it appears that the varsity tennis squad is headed for another highly successful season. Led by captains Tim Berman and Greg Macko, the netmen swept four matches on their southern swing. In the K.I.T.T., the Wyverns edged a hard-hitting Choate squad with a score of 12-11, for the team title. Although Berman and Macko performed admirably in both singles and doubles, the Wyverns' knockout punch was delivered by the number three and four men Peter Albert and Jay Berman, who played outstanding singles.

The remainder of the season will be highlighted by the Horace Mann Invitational and the National Interscholastics. The Southern New England League tournament, where Kingswood is favored to repeat as champion, always proves to be a day of interesting tennis. In regular season play, the Wyverns will have a tough challenge from Choate and probably from a traditional rival, Hotchkiss.

This young squad, that will return seven of its top eight players, is rounded out by Fred Macko, Bob Udolf, Peter Appleton, Tim Johnson, and senior Vic Bobelis. Although there is little varsity experience among the latter four men, they all played well on the southern trip and are expected to make major contributions to this year's effort.

The goal for this year's squad would appear to be a higher finish than last year's fifth place tie at the National Interscholastics at Duke University in mid-June. This just might be the year that Kingswood snatches the first place trophy in the nation's toughest high school tournament.

Co-captains: Macko, G., Berman, T.

Row 2: Albert, Duke, P., Pitrus, Zembko, Graham, Coach Morrill. Row 1: Tryon, Demarest, Dowling, Duke, D., Richardson.

## girls varsity tennis

The Girls' Varsity Tennis Team has improved tremendously in the last few years. Previously, volleying at the courts was considered a social event, not a sport. This year, the opportunity for competitive match play has attracted talented girls to the team and, as a result, it is strong and promising.

The tennis team boasts a powerful combination of upperschoolers and middle schoolers. Along with Senior Captain Pamela Jane Dowling, are seniors Gretchen Pitrus, Jill Tryon, and Betsy Zembco, Juniors Mary Graham and Heidi Richardson, Sophomore Pam Duke and Freshman Lee Demerest, with Nancy Albert and Daniella Duke representing the eighth grade.

The team is privileged to be coached by Doug Morrill, whose patience and perseverance led the team to victory last year. It is also lucky to have senior Julie Zyla as manager. Her pleasant manner, assistance in practices, and encouraging words during matches make her an irreplaceable asset to the team.

The Tennis team can look forward to many exciting and challenging matches.

# "The best protection is prevention" quiz #1.

## Home Fire Safety-True or False...

1. Children should be taught to call the fire department immediately if they smell smoke in the house.

*False.* They should leave the house immediately, then call the fire department from a neighbor's phone or a fire alarm box.

2. If clothing catches fire, run for water *immediately*.

*False.* Running increases the supply of oxygen to a fire. Instead:  
STOP — right where you are;  
DROP — to the floor or ground; and  
ROLL — until the flames are extinguished.

3. The best device for preventing home fire deaths is a fire extinguisher.

*False.* The best device for preventing home fire deaths is a smoke detector, which senses smoke, and sounds an alarm loud enough to waken even the soundest sleeper. For minimum protection, one detector should be placed outside each sleeping area in the home.

4. According to the National Fire Prevention and Control Administration, 95% of the money spent on fire in the United States is spent on suppression, and only 5% on prevention.

*True.* And that's cause for serious concern.

5. Once you have extinguished a mattress or armchair fire, wait at least an hour before going back to bed.

*False.* Such a fire can smolder for hours. The mattress or furniture should be removed from the house before the occupants go back to bed.

6. A small amount of charcoal lighter fluid may be poured on a barbecue fire *if* the fire is very small and there is no wind.

*False.* Charcoal lighter should *never* be used once a fire has been lit. The flame could follow the stream of liquid back to the can, and cause an explosion.

Dear Julie,

As we have reached this fateful event, whereupon we have to create a letter, I can only say it is very typical of past maneuvers. We always plan things (such as my being invited to your house in Tolland?? Thank you in advance! Or joining the Arkay Friday Night Club) and somehow forget to follow through on them. Before I thank you for your loyalty and unfaltering ability to listen to my unevading dissertations, as well as your help and dedication as manager, I feel I should include some true facts. 1) Your tennis skills are only surpassed by your frontseat prowess. 2) Your ability to flunk every math test (or so your say at the end of the test) and end up with an "A" for the term astounds me. 3) I am a better bankteller than you! 4) Basketball clinics are fun, 5) you forced me to eat cones, onion rings, french fries, Carvel's and sodas. 6) You have the tendency to yell. 7) My mouth hurts. 8) Thje Junior Prom was a real thriller. 9) I hope this letter is worth all the grief it caused.

Thank you!

P.J.D.

Dear Pam,

We've gone through four eventful years together and now comes the moment of truth — to set down what has transpired! I could mention, the Green Room, Soby Gym, steamed windows, and "older men's" houses — but I won't! Instead, I'll mention the fact that you must learn to speak succinctly, brush your hair with moderation, and stop receiving awards for personality — you may surpass me!

I would be remiss if I failed to that when you're playing at Wimbledon (and, of course, winning) the sports analysts will look to the real source of your talent — yours truly.

You've taught me many a valuable lesson — yet none more meaningful than to be yourself and believe in yourself. Thank you!  
J.G.Z.
